AUDITORS REPORT

We have carefully examined the accounts of the Selectmen, Treasurer, Clerk, Tax Collector, Road Agent, Trustees of Trust Funds and Library Trustees for the year ending December 31, 1961 and find them to be correctly cast and properly vouched, with the exception of an overpayment by the Town Clerk of \$2.50.

Frederick J. Stenzel
Maude L. Holmes

FIRE DEPARTMENT REPORT

During the year the Fire Department handled 9 calls.

6 Building Fires

3 Forest Fires

61 Permits to kindle fires.

7 Permits for incinerators

3 Permits for fireplaces

If you find it necessary to do outdoor burning at any time, except when snow is on the ground, be sure to get a permit from your Warden. Incinerators and outdoor fireplaces require permits once a year. Obtain these from Forest Warden Allen Love.

Please help the Sandown Fire Department to prevent fires.

REPORT OF THE PLANNING BOARD FOR 1961

1961 has been a busy year for the Planning Board. After several months work, a public hearing on Amendments and Revisions to the Building and Zoning Ordinances, and to the proposed Land Subdivision Control Regulations was held prior to Town Meeting. In March, at the regular Town Meeting, these Amendments and new Ordinances were passed. This completes our regulations for Land, Zoning and Building, except for necessary Amendments from time to time.

In May we again requested the State Highway Department to dress up the old sand pit near the Firehouse, and we were pleased to see the work completed so promptly. They spread loam over most of the bank, and certainly improved the appearance of the area. In May we also reviewed the Pottle development at SE shore of Phillips Lake which was sold to R. E. Webber.

In June we gave preliminary approval to the Albert Lake development on the South side of Phillips Lake.

In July we gave final approval to the additions to George Everett Holmes development on the East shore of Phillips Lake.

In the fall we viewed the Duston development at Angle Pond, and gave the Duston brothers preliminary approval to proceed with their new development off Lake Shore Road. We also attempted to help Roger Mathes get started with his 67 lot development on the South West Shore at Angle Pond. We haven't been too successful as yet because of the legal difficulties over the right of way in Hampstead, but we are still trying.

For some time now the Planning Board, as well as other Town Officials, have recognized the need for a Town Tax Map, showing individual lot lines for the whole town. Many towns nearby have them already completed, and are being used, while others are working on the project.

After considerable investigation the Planning Board has decided to begin work on a map. Because of the expense involved in hiring an engineering service to do the whole job, we decided instead to try to complete all that we can by ourselves, with the assistance of the Selectmen, James Pinard, and anyone else willing to help. This project may require more than one year to complete our portion of the work. As we urgently

need your cooperation, we hope all of you that know your own land boundaries, or your neighbors, will come to our meetings at the Town Hall the third Wednesday of every month.

**Sandown School District
SCHOOL WARRANT**

To the Inhabitants of the School District of the town of Sandown, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the sixteenth day of March, 1962, at eight o'clock in the evening to act upon the following subjects:

1. To choose a moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to to the selectmen the balance between estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the School District will vote to have the name "Sandown Central School" placed on the school and to see what sum of money will be raised and appropriated for same.

-
10. To see if the district will vote to buy acoustic equipment for the school nurse. To be purchased if there is enough money left in June.
 11. To transact any other business which may legally come before this meeting.

Given under our hands at said Sandown this 13th day of February, 1962.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

TO THE CITIZENS OF SANDOWN:

It has been a pleasure these past few months to be associated with Sandown Central School - its students, staff and School Board. The school is well staffed with both Mr. Virgin and Mrs. Thomes. The materials used for instructional purposes are adequate and up to date. Our thanks to the community and to the School Board in particular.

However, we cannot lessen the effort in these areas as many new ideas are entering the field of Education today. Teaching machines, several new audio-visual aids, team teaching, grouping programs, elementary guidance and parent counseling are already with us, and we can be sure others will be forthcoming.

A minimum program in music has been added this year which I am sure is beneficial to the students. As the elementary curriculum continues to develop in our State we will undoubtedly think more and more in terms of the Fine Arts - music, art, library, etc. Our Supervisory Union has several meetings scheduled which will explain in detail these programs to our School Boards, P.T.A. Officers and school administrators.

Sandown may soon be faced with the problem of over-crowding in its school without warning. Several communities in Supervisory Union 14 have found this to be true, because we are in one of the fastest growing areas of New England.

During the coming year, your Superintendent sincerely plans to become better acquainted with the Sandown community and in this way become even more valuable to your school system. And now, I would like to thank the School Board for the assistance they have given me these last few months. It is never easy to change superintendents, but it is even more difficult to change after the school year has started. It was their understanding of the entire program that made the change-over uneventful.

William Grass, Jr.
Superintendent of Schools

REPORT OF THE SCHOOL NURSE

TO THE SUPERINTENDENT OF SCHOOLS:

This past year has been an exceptionally gratifying one in the field of the children's health. The children seem to be taking a more active interest in their own personal health and hygiene. Health education is stressed with the use of movies, pamphlets, and discussion groups. Any parent is invited to attend these programs in order to see how the entire well-being of the child, both physical and mental, is of prime importance.

All the children received routine checks on height, weight, hearing and vision. The Vollmer patch test for tuberculosis was given and anyone with a positive reaction was taken to Manchester for a chest x-ray.

This year the P.T.A. sponsored a dental clinic. Dr. Manning from Concord set up his portable unit in the activity room and a very successful clinic was held. It is hoped the work that has been started by this clinic will be carried through by the families.

I would like to take this opportunity to thank all the organizations and individuals who have helped with their services and financial aid.

Respectfully submitted:
